The following member was on leave:

1. Shri Venakatcahalam, Pharmacist- Member

The Chairman, Bio Medical Waste Management committee welcomed all the members. OIC-ENG, appraised the ongoing biomedical waste activities at PIIC and discussed about the following key functions of the committee for further monitoring and execution as per norms.

1. The committee noted and was satisfied with the relevant actions for the renewal of BMWA consent as per TNPCB norms. The committee was informed that Bio Medical Waste Authorization (Authorization No: 23BAC48123072) was granted to PIIC on 18/01/2023.
2. The committee noted the procedure of getting acknowledgement for waste disposal through CBMWTF.
3. The committee perused and noted that the monthly reports of BMW are displayed in PII website as well as submission to MoHFW.
4. The committee noted that all the segregated BMW are transported and disposed through bar coded bags to the CBWTF as per the schedule I of Bio medical waste management rules, 2016 and BMW authorization.
5. The committee noted that the bio-medical waste is handled without any adverse affects to human health and environment.
6. The committee noted that there is no major/minor accident and expressed the satisfaction with the process followed.
7. The committee was satisfied with the control measures followed in breeding of animals.

8. The committee suggested to collect list of hazardous chemicals available in various Departments and identify the approved vendor to dispose the chemicals
9. The committee suggested the disposal of petriplates shall be continued in the existing procedure through CBMWTF.

There being no other items for discussion, the Chairman thanked all the members. The meeting concluded with a vote of thanks to the Chairman.
